

# Universal Valve Holder

OBEL-P®  
**UVH**

Freestanding valve holder  
for all types of 4-stroke diesel  
engine fuel injectors.

## Product features

- Locks the injectors in place
- Adapters that enable users to test all common fuel injectors
- Set of 4 standard injector adapters included
- Closed spray chamber and integrated air purifier
- Secures optimal working environment

### Saving time and optimizing results

The valve holder guarantees accurate fixating of fuel injectors along with easy injector calibration, which saves valuable time and ensures precise and accurate results.

### Universal use

The design makes it possible to switch between testing of different injectors effortlessly.

### Optimal visibility

The Universal Valve Holder includes an air purifier for better working conditions and improved visibility in the plastic container.

### Easy adaptation

The four universal oil inlet connectors features different geometry, matching the packing surfaces of common fuel injectors.

Technical specifications	
• Machine capacity	All common 4-stroke injectors 19-140 mm injector diameter
• Air hose connection	65 mm (1/4")
• Weight	125 - 130 kg
• Max dimensions	H:1314 mm, W: 500 mm, D: 300 mm
